

Dear Sirs,

K-LOVE is a vital station on our community's radio waves. It provides a family-friendly listening choice that is not available on the LPFM stations. If this station were displaced by an LPFM station, listeners would not have a station available that we can trust to be without profanity or extremist values. The service provided by K-LOVE is in the public interest because it promotes traditional values of kindness, community service, and goodness. Doing good to others is how our nation became strong, and K-LOVE promotes the continuation (or reinstatement) of this tradition.

Sincerely,

Malina Lindell
